If there is anyone willing to volunteer for the day, part of the day, small jobs or large jobs, please contact: Rose Mary Nelson @ 348-2985. We would greatly appreciate your help.

anyone. We operation with volunteers and donations. We are looking forward to seeing all the former volunteers and new volunteers this season, which we predict will be another visitor breaking count.

We need volunteers daily to be able to keep our doors open to the public.. If you have any free time and want a fulfilling job please call and volunteer. We appreciate any time or help.

CALL ROSE MARY NELSON @ 348-2985.

She can arrange a volunteering schedule to suit your needs. as well as those of the museum.

HELP! I NEED PAINT

To the editor:

Help! I need painting! I look so sad with my bright pink fading out. You don't want me to look this bad when the tourists come to Grayling this summer. My old wood shows through and I'm getting discouraged because not enough people have been able to help me so far. Don't you think it would be nice if I had a new coat (of paint) this summer? With the new streetscape this year, new

highway and a renovated courthouse, I think I should fit into the new picture. From the Crawford County Historical Museum.

Would you please donate to my problem? Send your donations, whatever it can be to the:

Fay Bovee, Grayling

The Historical Society wishes to thank Fay Bovee for her dedication to the Museum.

THANK YOU

As a Board of Directors, we try to donate our time and efforts to have a great Historical Society.

We have some Board members who go above and beyond for bettering our Museum and you experience when visiting. We would like to thank Steve Doyle. Steve is the Chair for the Crawford County Historical Society. Steve does so much for our museum, donating so much of

his own time seeing that things are done. The Museum may be only open in the summer, but Steve's commitment is year round. Please, if you see Steve, give him a big Thank You.

Nancy Stone is the Historical Society's Treasure. Nancy does way more than that. She is one of the Historians. Nancy puts much time and many hours into the

Museum. She has been working on changing some displays and getting the inventory in order.

If you stop in the Museum, changes are you will find Nancy Stone.

The Crawford County Historical Society would like to Thank both Steve and Nancy for their continued dedication to the running of our Historical Museum.

Do you have spare time?

A few volunteer

hours goes a long way.
