Every one loves a mystery and we have some that you can help us solve. So put on your junior detective hats and see if you can help us out. Often photos come to the museum without any identification from difference sources. Sometimes found between the pages of an old book, in boxes in attics or any number of places. If you recognize any of the people or places in the following photos please give us a call at 989-344-1097 or drop us a note at our Post Office Box 218, Grayling and let us know your clues. There are handsome baseball players who were photographed in Grayling with no names, there is a gentleman at the CCC Camp AuSable, a tavern or store with no name that needs identification. If you know any names or dates that will lead us in the right direction we would appreciate it. Ask your elders because they may remember these names and places. Good hunting!

These charming romantic Antique Valentine Cards were actually received by a Grayling resident, long since passed, in 1910 and 1911 from loved ones far away.

Remember those you love this Valentine's Day and every day.

HAPPY
VALENTINE'S DAY!

Please join us at our first Historical Society Board Meeting of 2012, March 6th at the Nature Center (former library) at 7 P.M. and assist us in making plans for the upcoming season. The public is always welcome and we need volunteer docents and others interested in helping retain Crawford County's history and the museum buildings.
